Séideán Sí.

Cúrsa comhtháite, taitneamhach, páistelárnach le haghaidh múineadh na Gaeilge atá i 'Séideán Sí', cúrsa a chuideoidh le forbairt teanga, chognaíoch, mhothúchánach agus shamhlaíoch an pháiste. Is ar an bpáiste féin, ar na riachtanais teanga atá aige/aici agus ar a c(h)uid ábhar spéise atá an phríomhbhéim. Ar scoileanna Gaeltachta agus ar scoileanna lán-Ghaeilge atá an cúrsa dírithe go príomha ach tá sé oiriúnach, leis, do scoileanna eile. Tagann an cúrsa 'Séideán Sí' leis an gcur chuige atá leagtha síos in Curaclam na Bunscoile – Gaeilge (1999). Tá sé bunaithe ar an gcur chuige cumarsáideach agus déantar comhtháthú ann ar an gceithre scil:

Éisteacht, labhairt, léitheoireacht agus scríbhneoireacht.

*An integrated, enjoyable and child-centred course for the teaching of Irish which aims to develop the language, cognitive, emotional and creative skills of the child. Main emphasis is placed on the child and on his/her language requirements and particular interests. Prepared specifically for schools in the Gaeltacht and Gaelscoileanna but also suitable for use in English medium schools. All the material is based on the guidelines and themes of the revised Primary Curriculum (1999). It is based on the communicative approach to language teaching and integrates the following four skills:
Listening, speaking, reading and writing.*

Tús Na Léitheoireachta - DVD €25

Léiriúchán le Máire Ní Bhaoill agus Paul Murphy

Rinneadh an DVD seo chun moltaí a thabhairt do mhúinteoirí a bhfuil an scéim chomhtháite Gaeilge **Séideán Sí** á úsáid acu maidir le conas tabhairt faoin léitheoireacht sna bunranganna i scoileanna lán-Ghaeilge agus Gaeltachta.

Ar an DVD tá moltaí/comhairle maidir le:

- Suim sa léitheoireacht a chothú
- Eagrú na leabhairíní sa rang
- Imirt na gcluichí sna boscaí Cluichí Focal agus Cruinn Ceart
- Grúpaí léitheoireachta a shocrú leis an rang
- Samplaí maithe de mhodhanna teagaisc éagsúla ó mhúinteoirí i scoileanna lán-Ghaeilge agus i scoileanna Gaeltachta

*A DVD produced as part of the **Séideán Sí** project explaining how to go about teaching reading in the lower primary classes. Contains excellent high-quality footage of real classroom situations.*

Léargas ar an Cholainn Dhaonna.**€10.50**

Bunús na bitheolaíochta agus léargas glinn ar an taobh istigh den cholainn dhaonna is ábhar don leabhar eolais seo a bhfuil samhail mhór thríthoiseach neadaithe ina lár. Is é bua an leabhair ná go dtugann sé le chéile blúirí eolais, léaráidí trasghearrtha agus samhail le hiomlánú a dhéanamh ar thuiscint agus fheasacht an dalta ar dhéantús agus ar oibriú an choirp: na scamhóga, an t-ae, an bhlaosc, an córas cnámharlaigh, an córas riospráide, an néarchóras, an córas díleá. De réir mar a chastar na leathanaigh fágtar ciseal eile den cholainn gan chlúdach. Dírithe ar lucht na chéad bhliana iar-bhunscoile.

An excellent introduction to the internal structure and workings of the human body: the liver, the heart, the lungs, the respiratory system, the digestive system, the skeletal system. A book that is distinguished by the 3D model of the body’s interior structure that sits in its very centre and around which the various sections have been designed, a new layer being revealed with each turn of a page. This provides a clear visual aid, that added to the cross-sectioned images and lucid text enable the user to easily acquire a knowledge of the body’s main functions.
